Welford-on-Avon. Welford is a pretty little village situated on the banks of the Avon in the centre of that beautiful district of England endeared to the heart of the tourist as "Shakespeare's Country." Its cottages are very quaint and picturesque with the inevitable thatched roof, red-tiled chimney and casemented windows, and have probably stood in their present state since the days of Shakespeare.

Dear City

I went to Celestine

Yesterday afternoon

got there about a quarter

past three. We were then

at the camp and

stayed there until

around two o'clock and

then we went back to

the other camp. There
was no difficulty in finding
ourselves. I have a few
the card in my hand
for the
from
